MEMORANDUM

Date: November 16, 1995

Subj: Marion/Bragg Landfill Work Plan Reforecast Approval

From: Denise Gawlinski *DG*
Community Involvement Coordinator

To: Carl Norman
Project Officer

I have reviewed the Work Plan Reforecast for community involvement support at the Marion/Bragg Landfill Superfund site as submitted by Black & Veatch Waste Science, Inc., on September 12, 1995. The Work Plan Reforecast incorporates all of the revised tasks outlined in Work Assignment Revision No. 2 -- including support for compiling and maintaining a mailing list, updating the site repository and continuing project management.

Therefore, I recommend approval of Work Assignment Revision No. 2. If you have any questions, please contact me at 886-9859. Thank you.
